RE: New Source Corporation - Authorized Distributor

Dear Mr. Barron,

To all interested parties, let it be known that ALCOA Forgings and Extrusions (AFE) recognizes **New Source Corporation** as an authorized distributor for the following manufactured products:

**Hard Alloy Extruded Shapes  
Pipe and Tube Products**

In our distribution network there are 5 criteria that we deem as critical elements: 1) "Buying, Stocking, and Reselling" our products; 2) "Adding Value"; 3) "Promotion and/or Co-Branding" the Alcoa Inc. name; 4) "Aligns with Alcoa Values"; and 5) "Expanding our commercial reach" with your sales & marketing teams.

Based on meeting the above criteria, ALCOA AFE is honored to name New Source Corporation as a recognized distributor, and we look forward to mutual growth and prosperity today, and in the future.

Sincerely,
