

New Source Corporation Receives Lockheed Martin Aeronautics Ahead of Ready Award for 2025

New Source Corporation today announced that it has been recognized as a top-performing supplier by Lockheed Martin Aeronautics for 2025.

The recognition is based on New Source Corporation having achieved outstanding performance levels in quality and delivery throughout 2025.

Lockheed Martin demands the highest levels of performance from its global supply chain and requires partners who can harness innovation while remaining agile enough to deliver competitive advantage in both cost and quality.

Being recognized as a top-performing supplier is an outstanding achievement for New Source Corporation and a fitting testament to the hard work, dedication, and commitment of our team.

New Source Corporation has supplied parts to a global customer base for many years, supporting a broad range of major commercial and military aerospace programs.

About Lockheed Martin

Headquartered in Bethesda, Maryland, Lockheed Martin is a global security and aerospace company that employs approximately 100,000 people worldwide. The company is principally engaged in the research, design, development, manufacture, integration, and sustainment of advanced technology systems, products, and services.
